4. ANNUAL FINANCIALS

4.1 BALANCESHEET DATA DISPLAY FORMAT

The Institute of Chartered Accountants of India (ICAI) has announced that IFRS (International Financial Reporting Standard) will be mandatory in India for financial statements for the periods beginning on or after 1 April 2012. This will be done by revising existing accounting standards to make them compatible with IFRS.

Balance sheet has to be displayed based on the industry format. Every company falls into a specific industry. FFORMAT field of 'companymaster' indicates that in which format balance-sheet has to be presented.

File Name: **Finance_bs_Displayformat**

Updation Type: This data is not updated regularly hence data feed is not sent in daily updation. ACCORD will send the data feed file through mail when there is a change in display format.

Structure of the data feed is as follows:

SR NO	Key	Field Name	Field Type	Field Description
1	PK	Disporder	Integer	Display Order Serial Number
2		Bold	Varchar(1)	To indicate whether the field should be displayed in Bold (T means Bold)
